Dear Friends:

On behalf of the Board of RMH of Akron, Inc., I thank you for your recent donation of the wish list snacks to the Ronald McDonald House of Akron.

In addition, special thanks comes to you from over 1,000 families using our House each year who experience the trauma of having a loved one hospitalized with a serious illness. Your generous support helps them to maintain some semblance of family unity during a time of crisis. It also allows them to be close by at all times to help alleviate some of those fears associated with a hospital stay.

Your interest in Akron's "House That Love Built" is truly appreciated!

Sincerely,

A handwritten signature in cursive script that reads "Anne Collins".

Anne Collins
Executive Director
