FUNDING

Funded

Faculty Research Grant Summer Fellowship, University of Akron May 2016–Aug 2016
The malleability of age deficits in emotion perception
 Principal Investigator
 Amount: **\$10,000**

The Retirement Research Foundation Jan 2015–Jan 2017
A comparison of the effectiveness of two types of deceit detection training methods in older adults
 Principal Investigator
 Amount: **\$61,288**

INVITED TALKS

Stanley, J. T. (2019, April). *Emotions across the lifespan*. Researcher of the Year Award Address at the annual meeting of the Ohio Association of Gerontology and Education, Oxford, Ohio.

Stanley, J. T. (2018, October). *Age differences in social judgments: Explanations for why older adults are vulnerable to deception and dislike mean jokes*. Presented as part of the Social/Health Research Brown Bag in the Psychology Department at Kent State University.

Stanley, J. T. (2017, September). *FaceTime with grandma: Do we grow older and wiser when reading facial expressions?* Presented as part of the Colloquium Series in Psychological Sciences & Human Behavior at Penn State Behrend, Erie, Pennsylvania.

Stanley, J. T. (2011, March). *Placing age-related differences in emotion recognition in context*. Invited talk presented at the Memorial Conference for Fredda Blanchard-Fields, Atlanta, Georgia.

SELECT CONFERENCE PRESENTATIONS

refereed on the basis of abstract

* Graduate student co-authors; ** Undergraduate student co-authors

- *Villalba, A., **McClellan, J., & **Stanley, J. T.** (April 2020). *Deliberation relates to emotion perception accuracy in young and older adults*. Poster accepted for presentation at the annual meeting of the Midwestern Psychological Association to be held in Chicago, IL.
- *Richards-Hoffman, C. J., & **Stanley, J. T.** (November 2019). *Older adults' job experience predicts emotion perception and interpersonal perception, differentially by gender*. Poster presented at the annual meeting of the Gerontological Society of America in Austin, TX.
- *Turner, J. R., & **Stanley, J. T.** (May 2019). *Age differences in endorsement of collectivistic and individualistic language influence judgments of electability and performance*. Poster presented at the annual Association for Psychological Science convention in Washington, DC.
- Stanley, J. T.**, & *Turner, J. R. (August 2018). *Do links between mind and body decline with age?* Poster presented as part of the late-breaking Early Career Psychologists Research and Innovation Poster Session at the annual convention of the American Psychological Association in San Francisco, CA.
- Stanley, J. T.**, *Webster, B. A., *Turner, J. R., & *Richards, C. J. (April 2018). *Explaining and mitigating age-related differences in social judgments: Overview Talk*. Chair of symposium presented at the annual meeting of the Midwestern Psychological Association in Chicago, IL.
- *Villalba, A., & **Stanley, J. T.** (May 2018). *A pilot study of age differences in fear-seeking vs. fear-avoiding behaviors in a naturally-occurring fear event*. Poster presented at the biennial meeting of the Cognitive Aging Conference in Atlanta, GA.
- Stanley, J. T.** (July 2017). *New methods for studying aging and socioemotional perception symposium: Discussant*. Paper presented at the International Association of Gerontology and Geriatrics World Congress (held every four years) in San Francisco, CA.
- *Webster, B. A., **Mugnaini, C., & **Stanley, J. T.** (April 2016). *Valid deception cues differ based on age and liar familiarity*. Poster presented at the annual meeting of the Midwestern Psychological Association in Chicago, IL.
- *Webster, B. A., & **Stanley, J. T.** (November 2016). *Young and older adults' deceit detection accuracy as a function of cue type*. Paper presented at the annual meeting of the Gerontological Society of America in New Orleans, LA.
- Stanley, J. T.**, & Ferrer, R. A. (May 2014). *Incidental emotion influences information processing of a consent form and intentions to participate in a clinical trial*. Paper presented at the annual meeting of the Association for Psychological Science in San Francisco, CA.
