(1) List your judicial experience (courts & years).

No judicial experience

(2) What about your non-judicial legal experience qualifies you to be a judge?

I served in the Fairfield County Prosecuting Attorneys Office for over 30 years, with over 28 of those years as the elected Prosecuting Attorney.

(3) Why are you running for this particular court seat?

I retired as the Fairfield County Prosecuting Attorney on April 30, 2011, after serving in the office for over thirty years with over twenty-eight of those years as the elected Prosecuting Attorney. I immediately went into private practice with the law firm of Crabbe, Brown & James LLP as an Of Counsel attorney. In October of 2014, several colleagues approached me to considering running for the office of Judge of the Fairfield County Municipal Court. After prayerful consideration and a blessing from my wife, Sandy, I agreed to run.

The Fairfield County Municipal Court is entering into a new era because it is relocating to a completely renovated building in downtown Lancaster that should allow the court to provide the citizens of Fairfield County with outstanding service for many years to come. I want to be a part of the transition that makes this new facility one of the best in the State of Ohio. My age will prevent me from serving more than one term, but I, along with Judge Jim Fields, will strive to give everyone who has contact with the court the fair and unbiased consideration they deserve.
