(1) List your judicial experience (courts & years).

5 1/2 months as Ashtabula Municipal Court Judge, Appointed by Governor Kasich on February 27, 2015

(2) What about your non-judicial legal experience qualifies you to be a judge?

I have over 21 years experience in all areas of the law. I have practiced in all levels of court, including the Ohio Supreme Court, achieving successful outcomes. I have management experience as well through my private law practice and Ashtabula County CSB.

(3) Why are you running for this particular court seat?

I have always aspired to be the Ashtabula Municipal Court Judge, as I have lived and practiced law within the court's jurisdiction almost all my life. I attended Saybrook Elementary School, Mt. Carmel, and then graduated from St. John High School in 1985. My husband, Steve, grew up here as well and has owned Ashtabula Pest Control for more than 25 years. My children, Stevie and Danielle attend Lakeside High School. I am committed to the safety and well being of my community and have spent over 22 years of my career in public service, protecting the families and children in Ashtabula County. I am in tune with times. I understand how people lived in the past and how much today's family dynamics have changed. I want to bring my experiences, ideas, and education to the court and the people of this community. At the time of the election, I will have served more than 8 months on the bench. I am a fair and impartial judge and have the Judicial experience and work ethic to run an efficient and effective court.
