(2) What about your non-judicial experience qualifies you to be a judge?

I am committed to the Jurisdiction of the Bedford Municipal Court. I am a 20 year resident of the City of Solon. I have been elected to 2 terms in Solon City Council, initially appointed in August, 2005 and elected November, 2005 to December, 2010. While on Solon City Council, I served as Vice Mayor, Chairman of the Finance Committee and Chairman of the Planning Commission. (3) Why are you running for this particular court seat?

I have been a part of the Bedford Municipal Court for over 30 years. During this time, I have developed a knowledge of its Judges, staff and the people served by the court. I am well aware of the Judges who preceded me and that Judges will follow me. I want to opportunity to serve as a guardian of this judicial seat. In my more than 30 years of practicing law in the State of Ohio, I have had the opportunity to travel throughout the State of Ohio and interact with hundreds of courts and their jurists. I want to take from these mostly positive and some negative experiences, coupled with my own character, abilities and demeanor, to continue and improve upon the positive experience of those who come into contact with the Bedford Municipal Court.
