(1) List your judicial experience (courts & years).

It has been my privilege and honor to serve as the Huron Municipal Court Judge for the past nine years.

(2) What about your non-judicial legal experience qualifies you to be a judge?

I have been an attorney since 1996, joining the law firm of Flynn Py & Kruse, Co., L.P.A. Prior to becoming Judge, I practiced in all the local courts in various civil and criminal matters. I am a member of the American, Ohio and Erie County Bar Associations.

(3) Why are you running for this particular court seat?

It has been my honor to serve as Judge for the Huron Municipal Court since 2006. During this time, we have been able to create new programs to serve this community. For example, we have established a Probation Department to give me more alternatives in how I sentence certain offenders. We teamed up with the Erie County Sheriff's Office to establish a video feed to our Court and the Erie County Jail. This has significantly reduced the need to transport prisoners to and from the jail. Furthermore, we have created the ability for offenders to pay fines online or by use of a telephone. These are just some of the accomplishments we have been able to develop during my time on the bench. I would like continue to serve as your Judge and lead this Court into the future. I will always be responsive to the needs and expectations of the citizens of this fine community. Thank you.
