(1) List your judicial experience (courts and years):

Not applicable. This would be my first judicial term.

(2) What about your non-judicial legal experience qualifies you to be a judge?

Since 2006 I have represented a diverse array of clients in State and Federal courts across Ohio. My trial and appeals practice have taken me to more than one hundred different courts in the Courts of Common Pleas, Federal District Courts, Courts of Appeals and the Ohio Supreme Court.

As a Common Pleas judge I would employ the best practices I have observed in this wide range of litigation experiences. I've cultivated a professional reputation built upon respect for my colleagues and their clients, honesty in all dealings, intelligence, and patience. I take my Oath to uphold our State and Federal Constitutions with the utmost sincerity. I'm proud of my reputation because in today's often contentious world of high-stakes litigation it can be difficult to keep the proper professional demeanor required of attorneys.

As a Common Pleas judge, I will maintain this even-keeled temperament and treat all parties and attorneys fairly and impartially, with respect and with patience. Professional Honors: recognized in Marquis Who's Who in America (2018); selected as a Super Lawyer or Rising Star by Thompson-Reuters since 2011; selected as a Top 100 trial attorney in Ohio by the National Trial Lawyers organization; Trustee for the Ohio Association for Justice (2013-Feb. 2018); volunteer mentor for C-M law students; volunteer mediator for the Lake County Court of Common Pleas; volunteer attorney with the Wills for Heroes charitable program.

Since 2011 I have been a faculty member of the National Business Institute, teaching other attorneys basic and advanced litigation strategies through Ohio Supreme Court approved Continuing Legal Education courses.

(3) Why are you running for this particular court seat?

I want to improve the level of hands-on, personal judicial service provided to Cuyahoga County citizens, businesses and attorneys. I have the temperament, integrity, professionalism, and patience to foster the public's respect for and trust in the judiciary. As a judge, I would spend as much time as possible with the parties, prosecutors, and attorneys at all stages of a case's history. I perceive a deficiency of judicial attention to newly filed cases that does not reflect well upon the courts. Closer attention to individual cases will, in my opinion, increase the efficiency of the court and conserve both private and judicial resources. It would be a great honor to serve if elected. I am the very first attorney in our family and I have worked hard for my success in the legal field. I want to take that dedication and apply it to the benefit of society and the judiciary.
