(1) List your judicial experience (courts and years):

Toledo Municipal Court; 2013 – present

(2) What about your non-judicial legal experience qualifies you to be a judge?

I have a well-rounded legal career. Prior to being elected to the Toledo Municipal Court, I handled a variety of cases as an attorney including general civil and criminal law, domestic relations, civil rights, traffic law, workers' compensation, and landlord/tenant disputes. Throughout my legal career I appeared in over 35 courts across Ohio. Early in my career I also volunteered my time as a mediator in the Toledo Municipal Court. My experience as an attorney prepared me to become a judge in the Toledo Municipal Court. My experience as a municipal court judge has prepared me to serve on the court of common pleas.

(3) Why are you running for this particular court seat?

As a municipal court judge I have presided over thousands of cases and over 130 trials. Judges in the municipal court preside over misdemeanors, traffic violations, and civil matters under \$15,000. Judges in the court of common pleas preside over felonies, the most serious criminal offenses, and civil matters over \$25,000. The community deserves judges with knowledge and experience to be assured a fair justice system. Having been a judge since 2013, I have the knowledge and experience to serve Lucas County well in the court of common pleas.
