(2) What about your non-judicial legal experience qualifies you to be a judge?

I not only have experience in civil law working as a Judicial Staff Attorney, but I have extensive criminal law experience as well. I worked at both the Cuyahoga County Prosecutor's Office and the Cuyahoga County Public Defender's Office, researching and trying numerous cases. I also worked at two law firms in private practice. Before I started my legal career I obtained a Master of Arts degree and was a board member for The Cleveland Sculpture Center. I did extensive research and writing, and contributed to and co-authored two publications with the Library of Congress.

(3) Why are you running for this particular court seat?

I am currently employed at Cuyahoga County Common Pleas Court as a Judicial Staff Attorney. I have worked for the Court's General Division for over 13 years, and have extensive knowledge and experience handling civil cases. Civil cases make up approximately 70 percent of a Judge's docket at the General Division of Common Pleas Court. I also have extensive experience working as both a Prosecutor and a Public Defender on criminal cases. This unique experience of being both a Prosecutor and Public Defender has taught me the importance of being honest, impartial, and fair. I have been an attorney in excellent standing for twenty years. I have the work ethic, experience, skills, and knowledge to preside over both civil and criminal cases as an impartial and excellent Judge. Thus, I know that I am an excellent candidate to serve as a Judge for the entire community.
