I served as an assistant prosecuting attorney for two years at the beginning of my career. I then joined the law firm of Bieser Greer & Landis in 1981, where I became a Partner in 1987. (3) Why are you running for this particular court seat?

It has been my honor to serve in this judicial position over the last six years. I believe this is the type of community service where I can effectively make a difference to assist the citizens of a community that has always been my home.
