No. 14.

TREE DAY.
A Great Success.

"Tree Day," was observed at Buchtel on Monday of last week, and was a great success in every sense of the word. In the morning at eleven o'clock a lecture was given in the gymnasium by Prof. 

G. M. Moulton of the University of Chicago. Prof. Moulton's subject, "Shakespeare's Romeo and Juliet, or the Place of Accident in Morals."

The lecture was one of the best ever given by that gentleman for an hour the lecturer held the closest attention of his audience. Seldom have the students had the privilege of listening to so cultured and instructive, a lecturer.

In the afternoon promptly at 1:25 the students assembled in the main building and formed into line according to classes, with Prof. H. V. Egbert as marshall. Headed by the West Post Band of Kent, the procession marched across the campus, with banners and colors flying, to the Academy, where the exercises of Tree Day were opened by the Junior Preps. The parade across the campus was a most imposing sight, each class with its banner and class colors of various hues in abundance.

The Junior Prep exercises consisted of giving a class yell and singing as they wound a May pole. The Middle opened their exercises with a yell, Miss Staver gave the tree speech, and Miss Olin, an original.

The Senior gave the best Academy exercises, Howard Breuning read a class prophecy "found in the pyramids of Egypt," and Miss Bronse, a poem. Yells were in abundance.

The procession again formed and counter-marched to the main building where the Freshman dedicated their class tree. Their program consisted of an oration by Miss Irish, a poem by Miss Voris, and a declamation by Miss Watters and the ceremony was closed by Miss Staver singing

"The Student's Goodness." The program was varied by selections by the band, as well as the Freshmen's club members. The class songs were also worthy of mention.

ATHLETICS.
Base Call Opening. Girls Give a Gym Drill.

Base ball has opened in earnest and altho' the games played have not been very encouraging, they are all that could be expected from the small field of candidates from which the team had to be made.

The first game was played at Wooster and the Buchtel team was completely swamped. Wooster in the first place has a very good team this year, and in the second place, the Buchtel team didn't play ball. The score was 28 to 2.

The next game was played last Saturday at Hiram, and the team did very well. Buchtel lacks a battery, but in the first five innings Rowell as pitcher, did some fine work. Frank Brown caught and did fairly well. After the fifth inning Rowell gave out but had to continue to throw up the balls. F. Brown did the star batting and the team as a whole played good ball.

The men battled as follows: F. Brown, C. H. Rowell, P. D. Reynolds, J. H. Cook, K. C. Williams, Capt. 1st. 1st. 2nd. 3rd. 5th., s. m. McGee, d. K. Krager, d. The score was Hiram 11, Buchtel to Hiram as well as Buchtel is not as strong as last year.

M. S. Brown has secured a game with Mt. Union to be played at Alliance, Friday.

Girl's Gym E.

On May 13, the girls of the Academy and Freshman class gave a gym exhibition and basketball game in the gymnasium. The gym exercises consisted of five drills by sixteen young ladies, under the direction of Miss Virginia Richards the instructor. The drill was very cleverly executed and the participants deserve much praise for their work. After the drill a basketball game was played by teams composed of college and prep girls. Our team was captained by Miss Voris, and the other by Miss Carnahan.

The team captained by Miss Voris won by a score of 16 to 6. The players were Misses Voris, Pfaff, Bronse, Clay and Stavrov and Misses Carnahan, Olin, Roach and Greenwood.

BASE BALL TEAM DEFEATED.

The base ball team was defeated at Alliance by Mt. Union College to the tune of 7-0, Friday afternoon.

Buchtel failed to play the game as it should be played as fourteen errors were counted against them.

INFORMAL PARTY.

The last of the regular college dances to be given in the Gym was held May 7. Forty couples were present, and the dance was generally enjoyed by all present. Good music was given by Sid Morey's orchestra.

The next dance will be given at the Gorge on May 29. Miss Parsons, Prof. and Mrs. Kolbe, Prof. Bates were present from the faculty.

STUART ROBSON.

On April 28, Stuart Robson gave a talk in the gym. Mr. Robson did not give his famous lecture as previously announced, but gave a very interesting talk, in answer to questions asked by the young ladies present. In the evening about forty Buchtelites heard Mr. Robson in the "Hennita" at the theatre, and he proved to all that he is one of the comedians on the stage. The young ladies of the Senior class accompanied by Mrs. A. B. Church and Mrs E. O. Olin, occupied a box.

SENIOR PREP SOCIAL.

The Senior class of the academy held a social at the home of Miss Elvright on Buchtel Ave., on Friday, Progressive games were played, Clara Bronse and Raymond Wells won the first prize, and Amy Saunders and Maurice Knight the "booby." The social, altho' announced beforehand was unattended by other classes.

HER PARTY NUMBER TWO.

Entirely unmolested by a new "horrid men", the ladies of the College and prep class held their annual party in the gym on the twenty-fifth. It is generally supposed that they enjoyed themselves immensely, as nothing the contrary has been heard. Refreshments were served and dancing was indulged in until 10:30. The lights burned steadily through the evening.
