Recognizing the importance of student representation during the upcoming academic year, the Undergraduate Student Government Directional Leadership Team began a strategic planning process in May 2020. The purpose of this plan is to ensure that the activities of USG effectively and efficiently serve students and execute the mission of building community, enhancing experience. During the past four months, the DLT has worked diligently to create a strategic plan that addresses the enduring core functions of USG and also the critical nature of the current university environment. Thus, the DLT now presents the summation of our work: the Undergraduate Student Government Strategic Plan (USGSP). On August 23rd, the DLT unanimously endorsed the USGSP. Now, Vice President Allen and I bring this order before the Senate and ask for its favorable consideration.

Respectfully,

Kevin A. Feezel
Student Body President

Stevie R. Allen
